The Lab Line

Letter from the Pres.

Happy New Year to everyone! The New Year offers us a moment to reflect on the past and then look forward to aspire to new horizons for the coming year. I am thankful that our members are truly committed to our club and to the Labrador breed. Our dedication keeps our club strong - something that is needed as we move forward into 2011 and beyond.

I am also looking forward to another successful Show and want to thank everyone in advance for all their continued efforts - we couldn't do it without everyone coming together. Things are moving forward with raffle donations, catalog advertising and getting the word out to the public. Even with the slower economy of 2010, I feel momentum starting to return to the dog show world. The strength and friendliness our show offers should help bring in the exhibitors.

Our January 22nd meeting will allow us to put the final touches on the details to ensure that our 2011 Specialty is the best ever. Bring your ideas and suggestions along with a gift to share and enjoy the celebration! If you are unable to attend, please feel free to reach out to me personally.

Warmest Regards,
Sandy
